

IMPPUMPS[®]
Intelligent Motor Pumps

EGHN

Electronically controlled circulating pumps

2-year guarantee

- saving of energy and money
- optimal adaptation of variables required by the hydraulic system
- noiseless and peaceful operation
- operational safety
- reducing environmental pollution
- simplifying projects and reducing costs of mechanical installation
- long life

TEHNIICAL FEATURES		EGHN - 55
Connections	DN (")	20, 25, 32
Connection type		Screw Type
Flow max	Q (m ³ /h)	4
Pressure max	H (m)	6
Pressure rated	PN (bar)	10
Power max	P (W)	90
Electrical voltage	V	1 x 230 AC
Degree of protection	IP	44
Regulation		Yes
Media temperature	T(°C)	+5 do +90
Insulating class		F
Casing type		GG / Cast iron
