

**IMPPUMPS®**  
Intelligent Motor Pumps

# GHN 80

## Three speed circulating pumps

**2-year guarantee**

- reliable operation and long lifespan
- silent operation
- adaptability of pumps to the heating system
- all installation material is provided
- expert help in selecting pumps for your heating system
- reduced electrical energy consumption
- widespread use fast and efficient servicing and spare parts available all over Slovenia and EU

TEHNICAL FEATURES		GHN - 80
Connections	DN (")	25, 32
Connection type		Screw Type
Flow max	Q (m <sup>3</sup> /h)	8
Pressure max	H (m)	8
Pressure rated	PN (bar)	10
Power max	P (W)	210
Electrical voltage	V	1 x 230 AC
Degree of protection	IP	44
Regulation		Yes
Media temperature	T(°C)	+5 do +110
Insulating class		F
Casing type		GG / Cast iron
